

CASA uncorked

Everyday CASA of Tarrant County **uncorks** brighter futures for abused and neglected foster children in our community.

As a Court Appointed Special Advocate, you will speak for a child who's been neglected, abused, ignored. You'll be trained, and you'll have a cause – with a first and last name. 400 of them are waiting. Visit SpeakUpForAChild.org and learn how you can become a Volunteer Advocate.
